### ALLIANCE BRIEFS

Ted Fielding, manager of the 164 Cleaners and Tailors is leaving for Denver tomorrow where he expects

to get some new machinery for his already well equipped shop. Don't forget Ted opens in his new location soon and he will be able to do a fine job of cleaning for you in a little more than nothing flat. He always has pleased and he is going to be better.

The First Baptist church has been greatly improved in appearance by having a coat of oil on the floors, and some new furniture for the pulpit and choir. The Women's Society has been making these improvements and have a number of other plans for the future.

Judge Tash now holds all records for speech-making in this county. There may be a few republicans who can show a better record, but we have never heard them. On Memorial day, Mr. Tash made fifty-six speeches in a trifle over an hour, and was ready and willing to make fifty-six more.
